THE VAULT SPA

ABOUT

Hidden away in what was historically an old gold store, you will find The Vault Spa. This exclusive sanctuary specialises in providing our guests with a premium range of therapies and invigorating signature treatments.

The Vault Spa includes a private lounge, where guests are encouraged to further unwind before and following their treatment .

In partnership with Indulge, the massage ritual starts with a consultation to find out what your emotional and physical needs are. From that your therapist will carry out an aroma test to allow you to choose the oil most suitable for you, ensuring a treatment that fits your needs and desires.
